

Dear Teacher

Warmest greetings to you and all my Christian brethren abroad, in Jesus' name.

Teacher I received my new courses, and i appreciate your effort put toward making it possible to have me as a student of this World Bible School. I cherish studying with you because the studies have brought about a great change in my life. Since i made up my mind to give my life to Christ, i tell you the truth, things have not been the same. My life is now hid in Christ Jesus, and therés true repentance and a total turning away from my old ways to a New Testament Christian. I wish you always pray for Gods sufficient grace in my life to do His good will as commanded us.

Besides, i will hopefully use these lessons to teach others so that they will be converted and be New Testament Christians too. I want to start a church of Christ in my area.

This course has made me know much truth from the Bible and i realize that the church of Christ is speaking directly from the Bible, and not like others who are bound to human doctrine. I pray they can understand the truth about Gods word, and that they will always do what the word of God says and not the word of man.

From your loving student,

Peter O.

[Note: Peter has now been released from prison and in in a Bible Training school, interesting to devote his life to evangelism.]
