Through the years, many have asked us at World Evangelism about the availability of tracts. The study you have just read is one of almost 80 titles that are now available. “From Creation Until Now” is a 16-page booklet, written especially for those who have little or no knowledge about the Bible or the God of the Bible.

Most of the tracts are pocket-sized tri-folds covering, obviously, a wide variety of topics. Some were written for those who know nothing of Christianity; some deal with doctrinal questions; some are designed to aid in Christian growth.

We believe that these new tools will be useful, both in the States and in countries around the world. If you want to know more, or would like samples, contact us at 662-283-1192 or Choate@WorldEvangelism.org.

Repentance is the realization that there is sin in our lives that separates us from fellowship with God and the determination to turn from committing sin to obeying God (Luke 13:3; Romans 6:17). Anyone who believes that Jesus is the Son of God ought to be willing to acknowledge that faith to Christian witnesses, as anciently the Ethiopian treasurer of Acts 8:37 did. Then, a person desiring to be saved from his or her sins must submit obediently to our Lord's command to be immersed in water for the remission of sins (Mark 16:16; Acts 2:38; Romans 6:3-5; Colossians 2:12). Finally, after baptism, a Christian must try to live faithfully as long as he or she lives. However, on those occasions when Christians sin, by repenting and praying a Christian's sins can be forgiven (Acts 8:22; 1 John 1:9).
