Risomo Riah Amberi Eikanisa Siekesia Sina

Aumao onyala oyingana mbu eindangano kha siilomaloma khu kanisa. Okhurulakho mbu eyawi? Eiri? Ikanisa yawi? Amarevo kano, nende akandi, kanakalusibwa mu bikha. Omalaho khu sai, khwenya omanya mbue rikanisa nisi.

Rehakhuchake nende osomia esirarinisio. Erikanisa rilomwalomwakho mu ndagano sini Katholiki, protestant, ama vayahudi, khava sini miaukhano, okhudirana khwe miaukhano, ama makhua ka siasa. Kha sini okhwepanga khwe vima evia siasa, nomba sikundi siosisiosi ova sini uenyuyamba yosiyosi yo bukanana.kharo nirari ndala khuchino, neyiri niyo?

Abandu bangi sivamanyire bwe ikanisa nisi. Mubwichufu bakoribwe mirimo kiayo, obulai bwe ikanisa, ama mirimo kiayo. Omalaho Indagano ilomaloma mwichufu mbu nisi. Erikhua ekanisa rilula nende olulimii lua vayunani ekklesia. Esiekesia mbu “avalanga ruanyi” erikanisa nii abandu balangwa ruanyi. Balia abamalile ohulangua rwanyi we sialo, mu burukhi bulia obwa yesu omwana mukherwa owa Nasaye (Abakolo 1:13).

Ni Mubiri kuomwoyo okwa Omwonia (Bakorinto 12:27), ikhola balia abakanyile omuonia (Baibrania 5:8,9). Khario baonisibwa nohumedwa mukanyisa Yaye (Maka 16:16; M. Abarumwa 2:47). Mumera eindi, ikanisa nibalia abalonda Omuonia.

Imbosi ikanisa inyoreha mundagano mu mera chibiri. Eyamberi ibolekha mubulamba sino nisio si Omuonia yari nasio mumachuvo “nikhandi khubolela ewe Pita ni khulwanda khuno ndahombakhe Eikanisa Yange, ne amani ke sirima sikaharihire” (Matayo 16:18). Chiruwo chimbapula chindi mumandiko ah imbosi. Ikanisa yekhonyerue mumera nge eyo. Nilomaloma khu kanisa mumera ya obulamba.

Sino nii, wosiwosi aria we ibosi Ikanisa inyala khunyolekha, nibiri mbu nii ikanisa yomandiko, nikari mbwe nii ikanisayo mwonia yalomalomakho mbwe anembakha. Siokhubiri, ilomalomwekho mubwa kawaida. Khubwekesi, Paulo yandindka khurikanisa riari eburoma, nikhandi nalomaloma khumakanisa nabola mukhesiibwe, nende makanisa komuonia (Abarumi 16:16). Kha siyalomalomanga khu bungi bwa makanisa mangi, khu machubo ke miaukhano, omalakho yabola khu makanisa mumbeka chikhabuhane chio mukhongo wefwe.

Nimeda okhubolela wicha khumanya mbu amandiko kalomaloma khu kanisa yali Koritho, Efeso, Mubafilipo nakandi (1 Bakorito 1:2; Baefeso 1:1;

Bafilipo 1:1). Bino bwosi bilolokha khu bandi sibweleweka khubera bapara khu karia kemwaukhano saa mu mbosi ya Nasaye. Kha sonasoma khu mwaukhano kwaa mberi aria mu mbosi ya Nasaye, khu kanoo akaruo khuli nende ovungi bwa Emikhungano kilomwalomwakho nikhandi buli muhungano nii kwe`kanisa ya Nasaye mu buli Mukamda khario kosi nikarebwa alala nii karera ikanisa ndala mumera yo bulamba bwayo. Nebwangu muno khwibirira obwaukhani, no mundu acha mundagano nalola ikanisa nga luh yesu yaibechna.

Khuchiririra khurukhonya khuelewa khu kanisa maana kayio, kumanye mbu indangano iruberesia esifwanani sie ikanisa mbu:

1. **Mubiri khwa Omuonia.** Ni omubiri kwo omwoyo kwo Omuonia nende omuonia naili omurue kwayo (Baefeso 5:23). Khuluo omubiri mulala (Baefeso 4:4), nii omubiri mulala nii iria Ikanisa (Bakolo 1:18).

2. **Inyumba ya Nasaye.** Imbosi inyumba mumandiko yekesia abadu ba olwibulwa lulala, eburukhonya omanya mbu ikanisa nii olwibulwa lwa Nasaye. Muh 1 Timoteo 3:15 Paulo abola mbu inyumba ya Nasaye nii ikanisa ya Nasaye mulamu. Nasaye nie baba nafwe kuri abana bae (Bagalatia 3:26, 27; Baefeso 1:3).

3. **Obwami bwa Nasaye.** Ombwami bwekesia omwami, khario yesu nie omwami (Bufunuli 17:14). Lakini khuba omwami, mpaka obwami bubeo nii khandi bulio (M. Abarumwa 8:12). Khuli asii wae, esialo nisili abumenyo`bwae nikadi erilakano riyakha nirio erilako (Matayo 16:18, 19).

4. **Indalo yo Mwonja.** Omwonja nii ngama omusala ne abaonisibwa nii mulala mulala nee risaga (Joni 15:1-8). Ama richubo khariano nii okhola mundalo nende omesia ebiamo khu Omwami.

Erikanisa rievekesia endio. Khuluesio soma mahua kanoo mubulafu bwa mandiko nolole mwene. Nikarimbwe sefwe adakhire bwe ewe olole, emilukha kiao kina kalukhana nende bulamu bwao.

Risomo Riah Khabiri **Ohwicha Khwe Ikanisa**

Erikanisa khaba siriecha esiro. Riah pangwa, rialwalakwa, rialakwa, maani riachakwa. Indagano yekesia obwadieri bunu.

Esiamberi, erikanisa riari mumaparo ka Nasaye. Paulo yabola khukanisa riari Baefeso. Nabola, “Abebwe mikisa Nasaye handi Baba womuonia wefwe, orubere emikisa kiosi kiomwoyo kirula mwikulu khubirira Omwonia wefwe, kaa`ma yarudolamo abamberi nara`longa sialo, khulwesio khukhoyerua khuba abatakatifu bila khuchubirua mabi asi waye mukari, wo buheri, namalile khurukula nga abakerami khubirira mu yesu Omwonia khu nie, okhuema khu khenya khulai khue rilakano riaye, hulwokhukungula obutukufu bwae nende esisah. Yakera khurekherwa baherwa” (Baefeso 1:3-6).

Khusaba omanyane mbwe alomaloma khukanisa riari Buefeso handi abola mbu abadolwa kata sialo nisiralongwa. Esiosiekesia mbwe Nasaye yari naa machubo nende ikanisa ata sialo nisiralongwa. Sinoznie sia yapanganga mubikha, khulwe so biechora mumakesi kaa Nasaye. Sino siruba machubo omanya esia Nasaye yadusia ochakira ao nao.

Siakhabiri, ikanisa eyalomwalomwakho nende obalakuli khanghi muno. Isaya yabola, “Kharo bicha hwicha obira mubiha bichayo mbu Olugungulu lurambi olwo Mwami, nikhandi Nasaye Ichunyumba chinembakhwa akulu wolungulu nikhandi inakingulwa okhira chingulu; nikhandi ebialo biosi binalulonda, abandu bangi banecha nibabola, icha khuchie akulu- wolugulu, lwa Omwami, ni khu nyumba ya Nasaye wa Jakobo; Anarwekia chingira chiaye, nikhandi khuna kenda mungira chiaye khurula zioni amlako kano kanola. Nerikua riah Nasaye khurula Jerusalemu” (Isaya 2:2, 3). Joweli yalakula, “Bicha khula ebikha Ndakhachukhe omwoyo kwange mulafu khu baandu boosi; abasiani bengwe nendeabakhana bengwe banalakula, abakofu basacha banalola maloro, abasiani banalola amaloro. Khandi abakhosi basacha nendea`bakhosi boosi ndakharume munyanga echio” (Joweli 2:28-29). Khandi Danieli yalingasia, “Nikhandi munyanga echio chiabaruki Nasaye we mwikulu anainia obwami burana`nyasibwa; nekhandi obwami sibunarekherwa obundi khaba dawwe bandi, nikhandi yicha khufunaka obwami burikho bunu muvimeka vimeka nii bunema mika kiosi” (Danieli 2:44). Rekha hurere bumaririsi.

Risomo Rioh Khudaru Okhuchakiswa Khwe Ikanisa

Mukilasi yefu ibwere khuringarire khurula mu Isaya 2:2, 3; Joel 2:28, 29; nende Danieli 2:44 mbwami amah (omba ikanisa) inembakhua munyanga chiobumarilikhi, mu Jerusalemu, aria mukhwicha huwa Roho mulafu, mani ebialo bwosi binabuchiakho bu nikhandi bwaheme emika khurabwayo dah. Mani Omuonia yalaka ohwimbakha ikanisa Matayo 16:18; Maka 9:1; nihan-di Luka 24:46-49 mbu yakhombakhe ikanisa yaye mbu yakheche ninamani, khuekalukhania nende khuosibwa chibi, kuayalwa mubialo bwiosi. Khario nikhufunya mu M. Abarumwa 2 khuicha onyola mbu lupapulo likingire bu-lakuli bwosi nikhandi bukingire malakono kosi karrindwa.

Nga nikhusoma M. Abarumwa 2 khuny'ola abarumwa barii mekha-lo makho`ongo eria jerusalemu mubikha: “Inyaga ya makhumi karanuyola, bosu barii nende bulala abundu ndala. Ao yeche isauti khurula mwikulu, nga imbunga, nikwechula inyumbaeyabari bekhalemo. Aochia kabukhamo chinimi, nga chio murilo nekhandi kubekabamo. Nebisi banyola Omwoyo mulafunibachaka olomalomamunimi chikabukhane ngamwoyo kubabere. Nekhanindi baari bamenyire Jerusalemu abajiwisi, basacha beyinia muburi sialo asi werikulu. Ino isauti nibiekhola, abandu bangi becha alala, nikhani bauka, khulwuo khubera undi ngo undi yaurirwa nalomaloma lurimi luaye” (M. Abarumwa 2:1-6).

Bwandike buchiririra okhurubolele bwalo bwosi ebwaliyo. “Bwau-ka khandi nibwesindukha, nibaboleelana sina sia bino bwekesia? Bandi ni-balekelesia nibabola mbu khaba bangwere amalwa maisi, omalakho Peter yema alala nende balia ekhumi nende mulala khu sauti ya akulu Nababolela engwe abamenyi ba Judea nende bamenyiba jerusalemu, rekha bino biman-yikhe khwengwe, murekeresie makhua kange. Bano khaba khaba sina bang-wi, ngolwa mupara, sai nii ebikha biohudaru rieinyanga. Lakini sino niesia-lomwalomwakho nende mulakuli joweli: Nebikhakhuicha khuririra munya chia mwisho, yabola Nasaye nicho khunia Mwoyo Mulafu khubumubiri; ba-siani bengwe naa bakhana bengwe bana lakula abaraga banalola bufunuli, abasikofu banalora maloro...bicha khuicha khuririra khuria olanga rira rioh mwami anaonisibwa” (M. Abarumwa 2:12-17,21).

Nibamala olola bwe ebio`biosi biekhorekha biah obulakuli bukhare. Pita yachakia mumaya`lo kae. Yekesia ngolwa Omwonia yari nende manii ka Nasaye nakhola ebichengwa nende maukaukano nende ebiekesia ebia Nas-aye yakhola abali. Esilondakhosiekesia ngori Omwonia nga olwayabechanwa

muvuruki handi nende amakhono mavi.

Nieruwa. Nabasomia mbu Nasaye amusingisie mubaafu, niyamala khudekula rifua. Okhuserera abarekeresi baye khusino yalondamo Daudikhu-ekesia mbu Omwonia yamenya, yafwa, yasikhwa khandi yasingira mubaafu khandi yakhachia mwikulukhuikhala khusisala sio bwami mukhono musacha okwa Nasaye.

Nikhuchirira, nabola, “Omwonia uno Nasaye amusingisie, ebiakhuri fwosi khuri abaloli. Kharano nikhukungurirwe namukhono musacha okwa Nasaye, ne khuamala khunyola mwoyo mulafu mulake khurula khusefwe, yaruma bino bino biosi ebia mulola nende ebia murira. Daudi kha siachia mwikulu, omalakho yabola mwene: Nasaye yabolela Omwami, ikhala mukhono musacha, okhula ngandara abasuku bao a`si mmakulu kao. Khariano einyumba yosi ya isiraeli imanye bwadieri mbwe Nasaye akholele yesu uno owamwera, alala Omwami khandi Omwonia. Nibaurira kanoh bachunibwa mwoyo nibabolera pita nende arumwa bandi basiefwe, khuna khola khurie? Pita nabola mwekalukhanie manii bulimundu bamubatisie mulila riah yesu omwonia kulwokhumalwakho amabi kae. Mani munanyola eikhabi yo Mwoyo Mulafu. Khubera erilako nikulwao nende abana bao nende abari yare mubungi bwabwe aba Nasaye analanga. Khandi need amakhuwa mangi aka Nasaye yevekesia bosu nabola mbu. Mulokolwe. Risomo Rioh Khuranu Rira Rieikanisa

Khunikho ikanisa ibe yamumandiko, manii ibe nende eriira rioh mumandio. Atakario khuri nende chikanisa chinyingi chiakiibwa nende bandu echiri nende mera ka bandu nende obwebuli. Bino biecha birie? Kandi khu mera kanoh kabechanwa khu khulo luyari luomchakisi, nga “Luterani.” Kandi kakingula amekesio kabwe nga ababatisi omba eingira yokhola mirimo kio Mwami. Abandi khunibo khukungula inyanga nga inyanga Yapendekositi omba inyanga ya Sabato. Abadi basikhayire khu makhule ka baruki mu khubisia olunyiriri olwa miri nende imo kiah abasidoti abe ikanisa. Mubino biosi nende biria biosi ebindi anabola, bukula biosi eikungula nende hufumia neede bulungikhi obuchira khu Mwonia, nikhubechana khu mera, ofumia nende khulesia ebilurire khu bandu.

Amera kadusibwe ninabandu nende ofumia biosi ne ebibi khu sababu chinyingi. Esia mberi, bigama obwaukhani. Bagama obwaukhani a Nasaye aradahire bibe Bakabkhania bandu. Bakhaya amasaboako mwonia akari mu Joni 17 yasaba khube nende busi babe nende bulala. Sia khabiri, nga rilako khurula mumandiko. Mu 1 Bakorito 1:10-17 omurumwa Paulo yekesia basiange obubi mukhufuala mera ka bandu, ngama obukabukhani mu sherekhe nende miukhano. Siakhadaru amera ka bandu kafuasibwe khu rira rioh Mwami. Nuchirira khusoma erira rioh mwonia, “omba khuri nende erira rindi rio buonia, khulwariumao erira rindi asi weri Sialo eriberue khu bandu eria khuonisibwakho” (M. Abarumwa 4:12). Erisomo Riah Khusasaba Okhuepanga Khuo Mukanisa

Omwonia yachaka rikanisa riaye (Matayo 16:18). Rikanisa erio riri nende baria abalagwa bong'one khurula musialo (Bakolosai 1:13,14). Ririsa nende abalokokha (M. Abarumwa 2:47). No mubiri kwomwoyo (Bakolosai 1:18), khurisa need mulala okwo (Baefeso 4:4).

Erikanisa nirisiri mumera eyobusabali. Riekhola nende echimiakhandi nechilifu echiemikhung`anokia. Amakanisa kikabukhane, nikhandi bul muhung`ano kukhuania nennde abandu baangi. Bino bwekesia mbu oburuki bwe rikanisa buchakira, aiba niiri khaba siniesialo amah ebialo bwosi. Mululimi lundi, Erikanisa riah Omwami riuma omurwe khuno khusialo ama obumenyi bukhongo bwa omurwe kwario.

Amandiko kekesia mbu Yesu Omuonia niye omurwe kwe Ikanisa. Murekhe khulingale chivaso chilondakho: Negeng`a bind bwosi a`si wah amakuulu kae, Namuberesia niye abe omurwe kwa ebindu biosi khu Kaniisa okuli mubiri Kwae, obwolelefu Bwaye owusirisia bwosi mu biosi” (Baefeso 1:22, 23). “Nga omusacha noh muwe kwa omukhasi, noh lwa Omuonia noh murwe kwe Rikanisa. Khandi nomulokoli wa omibiri” (Baefeso 5:23). “Khandi no murwe kwoh mubiri, Ikanisa, ori nieh buchakiro, omwibulwa wamberi khurula muuba-fu bive mbu muvindu biosi ilia be owamberi mubindu biosi (Bakolosai 1:18). Kharo chivaso chino chiekesia sina? Nga, olwachimalile obola, mbu Omuonia nieh omurwe kwe omubiri, okuri Rikanisa. Khari kiruo emirwe kinga? Mulala saa, khandi yesu nie mulalasa khaba sa kabana nende omundu yosiyosi.

Rikanisa nirikholwa nende amakanisa khaandi. Khandi Omuonia nari omurwe kwe rikanisa khario ebio bwekesia mbu nie omurwe kwa buri rikanisa ariba niriri.

Abalimukanisa.nikhurinda mubono, paulo yabola, “walakini ndakhamumanya mbu buri murwe kwo musacha nii Omwonia, nehomurwe kwomukhasi nii musacha neh khandi omurwe kwo Omwonia nii Nasaye” (1 Bakorinto 11:13).

Esilondakho, boririkanisa mungongo riri nende khuba nende ohuepanga khuario. Ebiri mbu Omwonia nie murwe kwario, khurula khu mulala khuniro, abakhulundu nende abasiditi badolwa kuringala mwoyo nende komumubiri kuenya khueikanisa. Abakhulundu barinende khuringala buri mwoyo kwamulala khukanisa (Baiburania 13:17); abasidoti balingala ebilokokha (M. Abarumwa 6). Manya mbu mandike kalomalome khu bungu khwa bakhulun-

Risomo Eriah Munane Khulama khue Ikanisa

Rekanisa nia abaonisibwa. Emirmo kiayo nii khulama nende okhore-ra Nasaye khubirira khu yesu omwonia. Paulo yabola. “Khusiosisiosi esia mubola omba esia mukhola, mukhole khurira rioh Omwami Yesu nimwebasia khu Nasaye baba khubirir khuniye” (Bakolsai 3:17).

Khuri nende okhulama mara khadaru echia barere alafu mulakano riyiakha esiamberi nii khulama musireka. Paulo yali mulugulu mchingulu chia atheni. Yalola eevilonge longe vingi, nabola, “nga lundakhaba niningala ebindu bweng`u bio khulama ndunchi aandi mwandikire: KHU NASAYE OWAKHURAMANYIRE. Khurula khu oyo owaamlamanga muhuramanya, nie owa mbayalilakho” (M. Abarumwa 17:23). Nga oluabaluo balia abalama musireka, manii nabaangi abakhola balio ribeerio. Kha sibaruo chimilion abenamira evilonge neh chipicha, lakini chimilion chinyingi echilonda ebilhole bie echidini musireka sia amaandiko.

Esiokhubiri, echimbosi chia omwami chiloma loma muno khu bandu balia abamulama evikhaya. Omuonia yabola, ni khandi evikhaya banaama, nibekesia amekesio nende amalako ka abandu” (Matayo 15:9). Obungi bwa abandu balamanga mumera nga inoh lero. Balama omwami nobulai, nowadieri, omalakho khulama huabwe nebikhaya ohuuma makhulundu hubera vichichana nende ohuenya khua omwana woh omundu kha sini alala nende nende ohuenya hua Nasaye.

Siokhudaru erkhua riah Nasaye riloma lomera okhulama khua dieri, eirimu mwoyo nende mubwadieri. Khusoma rikhua rioh Omwaonia, “Nasaye noomwoyo nabamulama bamulama mubwadieri nende mumwoyo” (Joni 4:24) khuno niekhulama khua Nasaye akanya bunu nobwadiri munyanga chio mwonia nende chinyanga chiakhurimo chino khuno nikhuma khukhuongobwa nende Nasaye mumwoyo (mumaparo nende khumanya) nende mubwadieri (ngama bianindikwa). Nasaye kha saika mundu khumulama omalakho uria omulama akhoyerwa khulama kuh.

1. **Khubukanana khusoma.** Atakario timiti yekesibwa amandiko khurula mulwana (1 Timoti 3:15), Paulo yamukerera ngomuyari mudidi, “batiyari khuenia ngama omukhosi wa Nasaye omukholi orenya kata esi ni emwambe okabania chimbosi bwa dieri” (2 Timoti 2:15). Makhua kano kari hubalokokha munomuno einyanga yo khulama. binonebikha ebia nasaye alomloma nababaye khubirira khukhua. Mu M.abarumwa 20:7 khulola Paulo ayarira bakwwetu befwe mungira yosoma rikhua riah.

2. **Basaba.** Ababu nibamala okhuria omwami einyanga ya pende-kositi, khusoma, “ne bendelea khuema mumekesio nende khuakanana alala, mukhuria mugati nende mumasayo” (M. Abarumwa 2:42). Khubirira kumasayo abandu balomaloma nende Omwami rarefwe wemwikulu. Esiri sio ra mbu abawonisibwa babukana nende abaonisibwa mu khulama nikhandi sibeingisiakho mukhusaba?

3. **Bemba echifumia.** Paulo yandika khu basisini babu “lomaloma nende owasio mukhuemba ne nichinyembo chio mwoyo, niwemba isauti erula mu mwoyokwaokhu Mwami” (Baefeso 5:19). Erisomo RiahTisa **Emirimo Kieikanisa**

Husina erikanisa riruo? Esiarikhola nisina? Emirimo kiario nekiri ohu-nyola khunachia mumbosi ya nasaye.

Siamberi khu biosi, lekhe huringale mbu Ikanisa kha sini inganga ye sialo, ohuemerera mah okhuruka esikuli amah indwaliloh. Omba ibeo khu lwa okhudusia nende okukusia nikhola obukhala. Ebindu bino biosi bakhabe ebilai, nikhandi abalokore bakhoyerwa okhubikhola. Kha sibiekhesia mbu nemirimo kyiei kanisa mangi nah mangi esialo sia idini siingire muno muvin-
du nga bino nii ebio biba bichakha okhurula khu imbosi ya Nasaye eyemiri-
mo kieikanisa nende emirimo kiah abandu bae.

1. **Okhuyala erikhua.** Omuonia yeekesia abarumwa, bae niyakhama-
la okhuswukha khandi naraninah emwikulu, “Muchie musialo siosi manii mukhole abarumwa, nimuvabatisia murira riah Sefwe nende Eriomwana Eriomwoyo mulafu nimuvekesia okhulonda embindu biosi eviandabeke-
sia: manya ndi ninang`u ata chindalo chiosi” (Matayo 28:19,20). “Nandi nabaabolela, Muchie musialo siosi muyale imbosi khu buli mundu. Wulia onaria analokokha ne wulia onahaya analaanibwa” (Maka 16:15,16). Im-
beri Paulo yekesia omwna Timoti, mbu “Yekesia imbosi! Vaa omwerekefu khubikha ama khaba, Serera, kana, yekesia, nobwesimirisia namakesio” (2 Timoti 4:2), echinyiriri chindi chakhandikirue omalakho mbu chino chiyeera okhuekesia okhuenya khua Nasaye imbosi iyalwe.

Nikhueka bwadiri khuniyo, nende khulonda, manii khuekhole mulala khuniyo, eyo nie inaba ikanisa eyo omwonia yachakisia yene. Obumwo buyinia esindu sifwanana nayio ne rikhua riah nasaye riosi rinia abawonisibwa nende mulala khukanisa yo mwami rero ngolwa yari mu bikha biah bira.

Erikanis ario mwonia rinyolwa musialo siosi. Ni riri buliliabundu. Nirinya khunyorekhana abundu wosiwosi mubikha biosibosi ngolwa mundu anekesia ngeindagano ibola. Inakhaya khuba abandu banaba nibakhaire makhua aka Nasaye.

Erikanisa rioh mwonia eria rero rikhula nende khuchia mungingo khulwokhuba rilonda Indagano yongone. Rikhaya okhukabukhana nii rikingula Omwonia. Rino ne rikanisa rilala eria khusoma mundagano. Sini miaukhano omba okhuba alala khue miaukhano. Sini purotesitaniti, katolika, omba sekiteria. Mani nisi nisio mubwangu nikanisa yomwami. Nisio siosi.

Erikanisa rioh mwami riuma murue khusialo omba amekhalo makhongo. Sirikingula mundu. Yuma machubo kokhueruka nende obuchane bwomundu. Buri ikanisa mukanda yeyemera yong'one iri nende obwimbakhe bwasio obwa abakhulundu, abasiditi, bayari bekesia nende balala khuniyo omundu lala khaba sakingulwa khukhira bandi ochaka rikanisa niruma eruma sikhalo omba abalobisi.

Erikanis ario mwonia burilwosi riri nende basuku ne khulwesio riri nabasuku atarero. Ne abandu bemiaukhano barikhaya khulwikhuba erikanisa erralonda esibonero bakhaya rikanisa khulwo khuba sibanaba nomukanda mulala nabo manii obabe okhunya kha Nasaye. Bamanyire bwe aruo olonda indaganoyong'one nibalonda mekesi kbandu. Bamanyire mbu erikanis ario mundagano rilonda Omwonia nirifwala riraria ye bikha biah londa bandu nende khfwala mera kabadu. EbiUma biabwe nii khukanisa rioh mwami khaba sino bwadieri, bakingiresa mumioyo riah bandu, nibakhaya khuekesia nakandiomalokho mirimo kiabu nikiiebikhaya.

Erikanis rioh mwami riabarikhiri khuchakira owonawo. Abasuku sialo siosi nende musuku owokhukora sibanyala okhukhaya. Nabadidi mubungi bwabwe notema okhubarira khubandi, banaba badidi abanawonisibwa (Matayo 7:13,14). Omwonia arinde erikanisa lala niyakhufunyeinyanga ndala okhu bukula rikanisa lala (Baefeso 5:27; Joni 14:1-6). No mwami who bwami bwaye niya bwichire khubufunyia khu Nasaye (1 Bakorinito 15:24) arisa nende mukherwa mulala (Bufunuli 21:9) neyecha khuakanira omukherwa

weye. Uria ofwarire rira riaye. Nabaninda abo? Niyecha niyecha khubabore-ra ndabakurwa. Anabeya (Matayo 15:13). Anaba busia no khubatupa mururo.

Okhusaba khufwe mbu obe omwonisibwa ngolwa erlakano riyiakha ribola. Khufunye khurikhua riah Nasye riruongosie. Manya indagano ne onamanya obwadieri. Khula esia ibola onawonisibwa nokhumedwa mukanisa yomwami. Rilala eria khusoma mundagano.

Norari mulala khu kanisa yo mwonia khukhujing'ia mbu obe mulala khuniyo subira munasaye, kalukhania mabi kao, kanya omwonia ngama mwana wa Nasaye maami obatisibwe onyala owonisibwe (Maka 16:16; Barumi 10:10; M. Abarumwa 2:38) manii Omwami anakhumeda khu Rikani-sa rie manii onaba omulokore (M. Abarumwa 2:47; 11:26). Onakhola orio? Oumao onyalo okhuika okhukhola orio, omalakho mbu nosoma Indagano yao onalola obulai bwa okhuba mulokole sah manii omenye noli sa omulokole ochiririre okhulandasia imbosi ya omburuki bwa Omwami.
